Hi Rise Guess the First Snowfall Contest 50/50 Raffle Rules

When will the first measurable
snowfall be??

\$2.00 per chance

For each \$2.00, you will randomly draw a date (no peeking!) from the pool, and whatever date you draw, is where YOUR name goes on the calendar.

Dates will be from October 15th to
December 31st, 2019.

When the first measurable (measured in an actual mathematical measurement such as .25" or .325"—measurements such as "trace" or "dusting" do not count) snowfall occurs at Cleveland Hopkins Airport's weather station, the person with their name on that date wins half the money collected. Hi Rise gets the other half.

We play, and sell raffle chances until all the tickets are sold, or until it snows and then the game is over, but Ski Season Begins!!! You can keep track of the official weather at

www.NWS.NOAA.GOV/climate/index.php?wfo=cle
