Congratulations to Dennis Rosa

Dennis is very proud to announce that he achieved his goal of becoming an American Wine Society CWJ – Certified Wine Judge. It took 3 years of testing annually and tons of work overall. Dennis passed the 3rd year test on this past Saturday in St. Pete Beach Florida at the National AWS Convention. There were eight students that passed this year out of eight in our 3rd year class and five were re-certified, two that own wineries. AWS has 7000 members overall. One of the judges had to leave early to return to California to press his wine. The certification is for five years, after that you need to re-certify.

Special Thanks to all those who attended the breakfast hike on Sunday, October 13th. The weather was a bit chilly at the beginning of the event, but warmed up to be quite comfortable. Next year, we will be attempting to have the event at a different couple of parks. Stay tuned!

SAVE THE DATE: DECEMBER 18th

Hi Rise Holiday Party at this meeting. We are looking for a couple of volunteers to assist with making a dish (you can make it at home) or a dessert. Save the receipt for reimbursement by the club. Please contact RoseAnn at 216-659-3991 or via email at: RoseAnnD@AOL.com

**Hi Rise Guess the First
Snowfall Contest
50/50 Raffle Rules**

**When will the first measurable
snowfall be??**

\$2.00 per chance

For each \$2.00, you will randomly draw a date (no peeking!) from the pool, and whatever date you draw, is where YOUR name goes on the calendar.

Dates will be from October 15th to December 31st, 2019.

When the first measurable (measured in an actual mathematical measurement such as .25" or .325"—measurements such as "trace" or "dusting" do not count) snowfall occurs at Cleveland Hopkins Airport’s weather station, the person with their name on that date wins half the money collected. Hi Rise gets the other half.

We play, and sell raffle chances until all the tickets are sold, or until it snows and then the game is over, but Ski Season Begins!!! You can keep track of the official weather at

www.NWS.NOAA.GOV/climate/index.php?wfo=cle
