021 RACE SEASON UPDATE as of December 2, 2020

Hello Everyone,

The committee has made the decision to cancel all of the New York races for the 2021 season. There are just too many unknowns at this time to make any attempt at planning.

I'd like to gauge interest for the Ohio races. Right now, Snow Trails has confirmed January 30 - 31 and I'm still waiting to hear back from Boston Mills. These races would purely be for the fun of it - there will be no points or awards. Beer bets are encouraged. Below is the link to a survey - please fill it out and let me know if you are still interested in racing at Boston Mills, Snow Trails or both locations. This will help the committee to make a decision to keep these two locations on the race schedule this year.

Race Chairs - I am cancelling the meeting for this Sunday until I have the results of the survey back. If these races end up happening, I will email you all a new meeting invite to go over the dailies.

This decision is not one that the committee took lightly. But given the ever-changing protocols, travel bans and restrictions, we felt that it was in the best interest of everyone to make the decision. I know that these race weekends are what some of us look forward to the most. The good news is that we can still go skiing and snowboarding. Keep checking your emails and the CMSC Facebook page throughout the season; there's a chance you'll get a message in your inbox of where a group of us will be heading.

I plan to have a decision on the Ohio races no later than Christmas.

I'm sorry to have to deliver such crappy news.

The Commish
