Ski Chatter Ski Ohio

Do you have good and usable ski gear cluttering up your garage or do you need good ski equipment? BMBW Ski Patrol hosts the Fall Fest/Ski Swap on Friday, Saturday, and Sunday (Oct. 7 to 9) at Brandywine. Check it out. For more information visit www.bmbw.com. Discounts for the Epic Pass are extended through Oct. 9.

Last month Ski Chatter discussed the new lifts at Boston Mill. Check the BMBW facebook page for new video of the new lift construction. Sorry, I cannot share facebook posts in this format. If you know how, please share your secret with me.

Forecasts predict a snowy winter...maybe... so Ohio ski area plan to open the week before Christmas, and from what I've read there even may be enough snow!

First Snow Fall Contest

With the return of indoor meetings and brisk evenings we announce the annual First Snow Fall contest! As usual the pot is split 50/50. The official recorded measurable snowfall at CLE Hopkins airport determines the winner. So, don't delay. See Arnie to participate. To help you make an educated guess here are

two articles that discuss snow fall dates. <https://fox8.com/weather/when-could-it-snow-in-northeast-ohio/>

More CLE weather trivia.

I Did Not Know That...

The Beatles skied, in the movie *Help!*

Or was it their doubles. Anyway, here is a fun clip from the making of the movie *Help!* so many years ago.

Where were you when this movie premiered in 1965? Maybe you weren't even born yet... Enjoy the clip. <https://youtu.be/TPE-VRXaQw?t=2>

November Dinner of the Month

Join us for the November Dinner of the month at the historic Rider's Inn in Painesville, on Wednesday, November 2nd. Rider's Inn was established in 1812 as a stagecoach stop. Later it provided a safe haven for runaway slaves in the 1840's and 50's. It is even rumored that paranormal activity has been noted there. Today it is a charming Bed and Breakfast and restaurant.

Jessie Anderson is your host for this event. Look for a flyer at the next Hi Rise meeting. The menu for our group will feature three entrees from their menu. Call Jessie at 440 785-9572.

Congratulations!

Doc Bob's son has a role in space exploration. Bob Akamine, Jr. is a NASA project manager for the development of a deployable heat shield that may one day be used in the exploration of Mars. Now Hi Rise has a connection to outer space! Nice work, Bob!

Check it out.

Biking in Cleveland

A best kept Cleveland secret is Slow Roll Cleveland. If you are looking to do something different this summer, try Slow Roll Cleveland. On Mondays throughout the summer peddle bikers gather at various locations throughout the City of Cleveland to ride together... slowly... thus the name Slow Roll!

A committee of dedicated volunteers plan, guide, and monitor a ten-mile ride throughout the city. They follow all safety measures necessary to keep our ridership safe while still creating a fun atmosphere for all riders. Helmets are required.

All bike rides meet at 6:00 p.m. and begin the ride at 7:00 p.m. at the locations listed here. A ride last about two hours. Ride details and locations can be found at

www.slowrollcleveland.com/ Slow Roll Cleveland can also be found on Facebook.
