## HI Rise Prepares for Winter Ski Trips

### Aspen Snowmass

The Aspen ski trip for 2026 is set for Saturday, January 24 to Saturday, January 31, 2026. We will stay at Villas at Snowmass Club condos, a short distance from the Aspen Mountain,

Snowmass, and Buttermilk. There are free shuttles to all three ski mountains and to the town of Aspen. The price is \$2045 for members and \$2076 for non-members. This price includes air, lodging, ground transportation, and a midweek dinner party. Check out your Aspen Snowmass skiing experience [here](#).

Our tour planning company is offering special pricing for lift tickets, or you can purchase the Ikon pass. More details about the trip and lift tickets are on page 16.

### Ski the East – Killington and Pico

Ski the east with Hi Rise this year. We are planning an unforgettable eastern adventure beginning with a train ride to Albany then a bus ride to Killington, Vermont. At Killington we'll check into our condos and prepare for the first of our four and a half days of skiing at the iconic Killington resort and its sister resort Pico Mountain. Your Killington ticket is good at both resorts. We will have very good pricing for lift tickets at the resort. You may purchase an Ikon pass instead for both areas. Over the past few years many improvements were added to both areas.

Including new lodges, lifts, and trail improvements. Be sure to check their web sites to learn more about them. Oh, and by the way, Killington had great snow this year and skied into the first week of May, just in case you were worried about eastern snow.

Bob Mac is working with our tour operator to finalize the best price for our adventure. He should have a price shortly. In the meantime, check Killington [here](#) and Pico Mountain [here](#).

Save the date Sun., February. 22 to Sat., Feb. 28, 2026

## *The Spring One Club Outing*

The spring One Club Outing set a record last month when 51 golfers hit the links at Maple Ridge Golf Course on a chilly but dry Saturday morning. Guy

Nerren the longtime coordinator of this event said that this is the largest group since its inception in 19----. Afterwards they met at the Firehouse for drinks and awards. Thanks to Jessie for tabulating the results. Mark Horwath took the top spot for men and Kara Dombrowski for the women. Both Mark and Kara shot a 39! Kara's score of 39 is the best score for any woman who has played in the One Club Outing. Congratulations to both of you, and thanks for all who came out for this event. We can't forget to thank Bob Mac and Roseanne for driving the beer cart! See page 9 for everyone's results. The Fall One Club Outing date will be announced this August. Proceeds from the One Club outing benefits the HI Rise racer program.

## Wine, Anyone!

**Bob & Roseanne by a wall is made from old wine barrels.**

Last month 50+ Hi Risers and Vino Club members crossed the border to taste some excellent Canadian wine. We visited seven wineries over two days. Earlier in the year Carol and Dennis traveled north to check out each winery and made some good choices. Tough job, don't you think? Each winery has their unique story from the Italian, German, or Polish immigrants who established vineyards in the new world to the young wine maker who tried several varieties of grapes before he landed on one that produced wine to his tastes.

The Niagara peninsula has ideal soil and microclimate conditions that support a wide variety of grapes. Because the regions can support many grape varieties with their own unique flavor, a wine maker can produce a wine unique to his winery. Wine making in this region has expanded over the last 25 years. Before the proliferation of vineyards on the peninsula, tree fruits like apples, peaches and cherries were the dominate crops. Today the Niagara Peninsula boasts more than 200 wineries.

If you've not been on a wine tasting adventure, here's what to expect. You are greeted by an experienced guide who give a brief introduction and history of the winery. Then you may take a tour of the wine making facility and vineyard. Finally, you are shown into the wine tasting room and served several 2-ounce glasses of their featured wine and a tasty charcuterie board. Then off to the wineshop for some wine to take home. A couple terms you'll hear on a tour are estate wine and reserve wines. Estate wines are

those wines with grapes grown in the winery's own vineyard. Reserve wines are the winery's best and sometimes their award-winning wines. It is not uncommon for a winery to purchase grapes from another vineyard and blend those grapes with their own grapes to create a signature blend. To learn more about the Niagara Peninsula click [here](#).

Here is a list with links for you to learn about Niagara Peninsula wineries:

[Vineland](#), [Ridge point](#), [Kacaba](#), [AMO](#), [Big Head Wines](#), [Icecellars](#)

Be sure to consider participating in the next wine excursion hosted by Hi Rise and the Vino Club.
