Summer Meeting Change

Spirits
3872 Erie St,
Willoughby, OH

Summer meetings this season have not been well attended, so the board has decided to change the location. We are grateful for the service and hospitality at Bumpers, but in an effort to make our meeting more appealing, we are moving to Spirits in Willoughby for the three remaining summer meetings August 13 and 27, and September 10. The first of our winter indoor meetings at the American Legion Hall begin Wednesday, September 24.

This summer I (Ray) have been playing cornhole at Spirits and found the service to be prompt, the food tasty, and reasonably priced. They have awesome hotdogs, too! The patio is pleasant and there is ample room undercover for inclement weather. Although tables are not reserved, we'll have someone there early to camp out for us. The summer crowd and wait staff at Spirits are pleasant and friendly. Click [here](#) for the food and drink menu.

We hope you can join us next Wednesday at Spirits to enjoy some "spirits" and good conversation. We look forward to seeing you there. And, after your summer meeting visit to Spirits, please take a moment to let your board members know what you think of our new summer meeting venue. As a postscript, I (Ray) will not be able to attend August 13th as I will be helping with my young grandchildren in Virginia.

Upcoming Events

Up Next is Captains Baseball & Clambake Time!

As shadows grow longer in the waning days of summer Hi Rise offers two classic American events. Captains Baseball and a clambake.

Arnie has organized a **Captains Baseball** outing for us on Friday, September 5th at 7:00 p.m. The Lake County Captains host the high-A affiliate of the Los Angeles Dodgers from Midland, Michigan. Arnie reserved a loge for us including chicken sandwiches and chips. Beer and wine are not included, but... it is Sports History night. We'll commemorate the infamous 10 cent beer night! Yes, beer on this night is only 10 cents! Join the fun, but hurry there are only 20 spaces available. Tickets are \$21. See page 8 for registration details.

October brings cooler weather and **clambake time**. Bob Mac is organizing our fall clambake at the Maple Ridge golf course after a golf game on Saturday, October 11th at 5:00 p.m. You don't need to play golf to enjoy the clams, though. This popular event was so much fun last year. Why not join is for the repeat event! See page 10 for sign up details

September Dinner of the Month Chesterland Tavern – Sept. 3

September dinner of the month takes us to Chesterland Tavern in Geauga County on Wednesday, September 3rd. If you've ever been there, you know that they have a lovely tree lined patio and excellent food. Join us for good food and conversation. To check out their menu click [here](#). Contact your host, Joe Riznar at (440)789-3320 – text messages are preferred. See page 7 for details.

October Dinner of the Month Pasha Turkish Kitchen – Oct. 1

October Dinner of the Month takes us to a place on Vine Street in Willowick that you may have passed many times. It's called Pasha Turkish Kitchen. The Rosa's and Patacca's dined there a few months ago. I was skeptical of it but went along. Turkish food I thought...hmm. Wow, was I surprised at the fantastic quality of food and service.

Char suggested it for a dinner of the month. So, we are dining at Pasha Turkish Kitchen on Wednesday, October 1st. Join us and see for yourself. To see the menu click [here](#) See page 9 for more details.

Updates from Your Board

- **BEWARE** Hi Rise logo merchandise had been promoted online. Do not purchase anything through these sites. They are a scam, and you will lose your money.
- The newsletter is usually emailed on the first Wednesday of the month. If you do not get your copy in your regular email, please check your spam folder.
- There are still openings for both ski trips to Snowmass and Killington. See the article and flyers in this issue of the newsletter.
- After careful consideration the board decided to move the summer meetings to Spirits. Please see the article on page 1.
- The board established the winter meeting schedule. It is, understandably, not complete, but we wanted you to be able to set your fall and winter calendar,
- The 2026 fiscal year began on July 1. The FY 2026 budget is shown to the right.

HI Rise Prepares for Winter Ski Trips

Aspen Snowmass

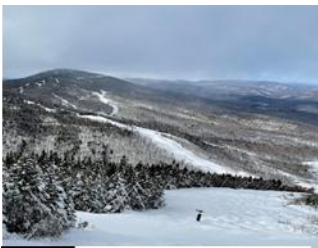

The Aspen ski trip for 2026 is set for Saturday, January 24 to Saturday, January 31, 2026. We will stay at Villas at Snowmass Club condos, a short distance from the Aspen Mountain,

Snowmass, and Buttermilk. There are free shuttles to all three ski mountains and to the town of Aspen. The price is \$2045 for members and \$2076 for non-members. This price includes air, lodging, ground transportation, and a midweek dinner party. Check out your Aspen Snowmass skiing experience [here](#).

Our tour planning company is offering special pricing for lift tickets, or you can purchase the Ikon pass. More details about the trip and lift tickets are on page 17.

Ski the East – Killington and Pico

Ski the east with Hi Rise this year. We are planning an unforgettable eastern adventure beginning with a train ride to Albany then a bus ride to Killington, Vermont. At Killington we'll check into our condos and prepare for the first of our four and a half days of skiing at the iconic Killington resort and its sister resort Pico Mountain. Your Killington ticket is good at both resorts. We will have very good pricing for lift tickets at the resort. You may purchase an Ikon pass instead for both areas. Over the past few years many improvements were added to both areas.

Including new lodges, lifts, and trail improvements. Be sure to check their web sites to learn more about them. Oh, and by the way, Killington had great snow this year and skied into the first week of May, just in case you were worried about eastern snow.

Check Killington [here](#) and Pico Mountain [here](#). See page 18 for details. Save the date Sun., February. 22 to Sat., Feb. 28, 2026

Ski the East with us!

It's Time to Renew!

You may recall that recently the club constitution was changed to coordinate the membership year to the fiscal year which begins

May 1. So, as of May 1, 2025, the club is officially operating in the year 2026...Happy New Year, Hi Rise Ski Club! Moving the fiscal year to a mid-year date allow us to keep better track of the trip fees collected earlier in the year.

Your annual membership dues are due now. We are asking you to renew now. Please bring your renewal to a summer meeting or mail it to Nate. See the membership renewal form on page 16.

Summer Meetings at Bumpers!

What Do Leather Car Seats Have to Do with Skiing This Winter?

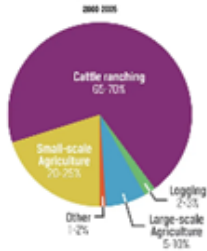

Could your leather car seats diminish your skiing experience? The answer is yes, but how? Look at the Amazon Rainforest. Yes, the RAINFOREST!

If you've been to the Cleveland Metroparks Zoo Rainforest exhibit, you may have noticed the rainforest deforestation display with its acreage countdown of deforestation. The diminishing numbers are indeed quite dramatic. So, what's the problem, you ask. You see, as rainforests are cleared, their ability to add moisture to the atmosphere is diminished. Yes, the oceans provide moisture, too, but the rainforest adds to the atmosphere's moisture content and temperature regulation as well. This change causes the world's weather patterns to change to drier weather around the world including the American Rockies.

Clear cut forest in the Amazon Rainforest

Causes of Deforestation in the Brazilian Amazon 2000-2018

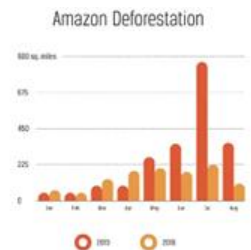

Why is there rainforest deforestation in the first place, you ask. Your first thought may be for lumber or food crops. Yes, they are part of the picture, but you'd be wrong. Most of the land is used for cattle ranching! Sixty-five percent of the deforested Amazon rainforest is devoted to raising cattle. Cattle are raised for human food, and leather goods. Remember, cattle need food, too, so even more land is

cleared the grow corn, soy, oats, and other crops to feed the cattle. It's an endless cycle, and rainforest soil cannot sustain ongoing crops growth for very long.

Ah, so there's the connection. Our beef and leather consumption are driving rainforest deforestation resulting in weather pattern changes leading to drier and shorter winters, thus fewer ski days, less snow, and more expensive skiing.

Okay, what's being done? The Amazon Rainforest countries plan to ban clear cutting of rainforest vegetation by 2030. That is five years away. Ironically, the rate of deforestation has increased since 2018 (see the chart to the right). So, what can you do at home? Cut back on the beef you eat and don't buy as many leather goods. There are also several environmental organizations you can support, too. These organizations are listed in the attached articles.

Summer 2019 saw high rates of deforestation in the Amazon compared to previous years.

Farming practices, corporate decisions, governmental policies thousands of miles away, and our consumption of beef and leather goods do indeed contribute to a shorter ski season. To read the original article in SnowBrains click [here](#); and click [here](#) to learn about cattle ranching in the Amazon.
