Don't Miss Out Meet Us at Spirits for a Chance to Win a \$110 Gift Certificate

Meetings at Spirits this summer just got even better!!! You can win a \$110 gift certificate just for being there. If you missed the announcement earlier this week, here's how it works:

- Each time you attend a meeting at Spirits you receive one free ticket to win the \$100 gift certificate.
- Get your ticket from a board member.
- Drawing for the \$100 gift certificate will be at the September 24th meeting at the American Legion Hall.
- The more tickets you have, the better are your chances to win! So, make as many of the Spirits meetings as you can. There are five more outdoor meetings this summer.

If you intended to attend the first summer meeting at Spirits in May and were turned away by the lack of parking... fear not! At the June meetings there was plenty of parking. The trivia crowd was modest. We easily found parking. Remember you can park at the Willoughby Courthouse at the corner of Erie and Vine, south of the tracks and Spirits. It is a short walk to Spirits.

Meetings at Spirits continued from page 1

The June Hi Rise meeting had a good turnout, and a few members tried their hand at Trivia. You, too, can join in if you'd like. Trivia night starts at 6:30 and our meetings begin at 7:30. So, there is close in parking later in the evening. You can even enjoy dinner at Spirits! The menu has more options and the staff has been tremendous. (Story continues on page 2.)

So, spend a Wednesday with us at our summer meetings at Spirits! They are the second and fourth Wednesday of July, August, and the first Wednesday in September at 7:30. It's a great way to keep in touch. As you meet up this summer, you may be able to plan a music concert night, a bike tour, and a golf outing with your friends. You can even swap old ski stories, plan for next year's ski outing, or even make plans to see the Big Boy 4014 train engine later in July.

Some Events Your Board is Working On

We are looking into a clam bake for October at Green Ridge Golf course, Wickliffe.

- The One Club Golf Outing is tentatively set for November 7th.
- Bob Mac continues to work on a second western ski trip for this winter.

Stay tuned for updates on these and more fabulous events for Hi Rise!

Ski the West with Hi Rise!

This year Hi Rise travels to the far west all the way to Oregon. Mount Bachelor is the seventh largest ski area in the nation located on the eastern flanks of Oregon's Central Cascades. It is known for light and dry snow. It is actually a dormant volcano. As with any volcano it can erupt, but unlikely to do so. The last time it erupted was 2,000 to 10,000 years ago.

Since The top of the mountain has no trees, you can actually ski around the top of the mountain, circling the volcano crater. Mount Bachelor boasts 72 runs with something for everyone. The back side has top expert runs for the best skiers. For those of us who like to cruise there are plenty of intermediate blue runs. Snow boarders are treated to several terrain parks located throughout the mountain. Mount Bachelor operates 12 lifts including 7 express quads, and 56 kilometers of groomed cross-country trails. And the mountaintop is not so high at 9,065 feet. To learn more checkout the On the Snow article [here](#) or the Mt. Bachelor webpage [here](#).

On your day off from skiing, you can find plenty to do in the picturesque town of Bend, Oregon. Choose to try snowshoeing, dog sled riding, beer tasting, wine tasting and even cider tasting. For those who like museums you can visit the Deschutes Historical Museum, or the High Desert Museum. Or, you can just relax at the Hilton's Newberry Hotel pool. To learn more about what to do in Bend, Oregon visit the visitor bureau's website at <https://visitbend.com/>. See page 10 for more information.

Mt. Bachelor is on the Ikon pass, please check the Ikon webpage for the best prices Click [here](#) for information about Ikon passes. Be sure to compare the blackout dates to our trip dates of January 23 to 30, 2027. See page 12 for more lift ticket information and to register for this trip.

Ski News from Around the World

Summer Improvements at Holimont

Holimont is investing 750K to improve the area. The funds are earmarked for bike trails and snowmaking. In my opinion, although these are welcomed improvements, they point to a greater concern ... a shrinking ski season. As with many ski areas around the world many ski areas have done more to bolster their offerings extending their season to support their core business ... skiing. The addition of bike trails at Holimont accounts for 20% of their business. In my own career I saw this strategy at work at the seasonal operations I worked at such as Sea World, Farmpark, and the Aquarium. In each case we capitalized on holidays and warmer weather to extend the season.

The improvements at Holimont are welcomed, but, sadly, it points to a shorter ski season. Food for thought. If you'd like to read the full article, click [here](#).

The opinions presented here are of the author, Ray Patacca, and do not reflect Holimont or Hi Rise Ski Club.

Dinners of the month have become quite popular over the years. We need your help with ideas for new and interesting places to dine. If you have a favorite spot, please tell one of the board members and we'll be happy to plan the event. We look forward to your input.

Upcoming Dinners of the Month

Grand River Cellars August 5

In August we'll travel to Grand River Cellars an old favorite. The wine and food at Grand River never disappoints. The tree lined patio is a welcome relief to the hot summer sun. So, join us for a mid-summer's night at Grand River

Cellars. Nate is your host. Please note: We are meeting at 5:30 p.m. because the kitchen closes early. To learn more about Grand River Cellars and see their menu click [here](#). To register see page 8 for details.

Scotti's Italian Eatery September 2

Scotti's Italian Eatery on East 185 promises to be a tremendous dining experience. It has been around for twenty years and weathered the pandemic and the East 185 road closure and sewer upgrades. The owner almost called it quits, but his loyal patrons

rallied around him and he decided to remain open. Today these same customers sing his praises on Facebook. Scotti's pizza was voted the top ten pizza in Cleveland according to a poll by Tripadvisor. To learn more, click [here](#). Click [here](#) for Scotti's menu. Charlene Patacca is your hostess. See page 9 for details. **Scotti's only accepts cash or check.**

Double D's Honky Tonk & Smokehouse

At the dinner of the month on **October 7th**, we dine at the newly opened Double D's Honky Tonk & Smokehouse in downtown Willoughby. Double D is in the former Brim restaurant building with its two levels. The upstairs is a bar and dance hall for line dancing and

country music. Downstairs you'll find a great smokehouse restaurant. The food is great. Char and I had dinner there just after their opening. The food and service were tremendous. Click [here](#) for the menu. I must tell you that our waitress was on her very first day – I think it was her first job ever. She was nervous but worked through her nervousness to get it right. We gave her a nice tip. Cleveland magazine gives it a very good review. Click [here](#). See page 11 for sign up details.
